

# Are you an ART INSTRUCTOR with a talented student?

**Help him or her  
get more training  
in the visual arts!**

---

**community + public arts  
detroit**

The College for Creative Studies (CCS), Community Arts Partnerships (CAP), and community+public arts: DETROIT offer a variety of visual art and public art programs for young people with a promising future in the arts. Workshops are available after school, on weekends and during the summer.

**Please tell us about your talented students!**
